Program Overview

The Jandoli School's Master of Arts in Marketing Communication graduate program is designed for people with a desire to master and lead the growing, dynamic, broad spectrum of contemporary marketing communication. It builds skill in integrating the development and management of all marketing communication tools across all mediums to build positive, ethical and lasting relationships with consumers, stakeholders and other audiences, with empathy and mindfulness of diversity of audience.

The Jandoli Schools Master of Arts in Marketing Communication graduate program is both a creative and an analytical endeavor that is structured as: problem definition, problem solution, and execution. Students graduate with vision, skills and professionalism required to identify a communication problem, strategically plan a solution utilizing traditional, digital, and experiential marketing communication approaches, and the ability to measure and make meaning from data and analytics to assess the results
